Judd Cramer and Alan B. Krueger* Occupational licensing has grown steadily in the United States since the 1950s, with nearly one-third of private sector workers currently in jobs covered by occupational licensing requirements (Kleiner and Krueger 2013). In many

Disruptive Change in the Taxi Business: The Case of Uber

When we speak of disruptive innovation, one of the examples that often crop up is Uber Technologies Inc. or, simply, Uber, which was able to transform the transport industry as we know it today. It made it possible for the taxi- or cab-riding public to avail of Uber drivers - their cars and driving services - through the use of a mobile app on their smartphones.
