the combined cycle, while the auto is slightly thirstier at 6.7L/100km.

Nissan Almera Review | CarAdvice

The Nissan Almera resembles the Latio. At times it does not really look different than its sister. Thanks to Nissan for adding the Almera badge on this car. Well, the exterior designing is pretty simple. The cosmetics

The light clutch and steering make the Almera effortless to pilot through town. Overall. If you could combine Japanese reliability with German interiors and French driving characteristics that would make quite some car. Fortunately, Nissan have taken the effort out of such a task with the second generation Almera.

Review (2000)

Overview Nissan's big subcompact sedan, the Almera, now sports a more stylish front end inspired by its bigger brothers, the Sylphy and Altima. While it may not be as sporty or flashy as some of its competitors, it shines when it comes to practicality thanks to its roomy interior and large trunk.

Specification, Price | CarAdvice

I had a 2005 Nissan Almera N16 with a 1.6l 72kw. Made in Sunderland, the car was a bit of a let down. The performance is quite bearable in urban conditions and you can even overtake on the motorway but when there's even a little bit of snow/ice on the roads - forget about it.
