When you install a tuned exhaust system, your car, truck, or SUV feels faster and more responsive. If you install a mish-mash of components, start cutting off various parts without understanding their function, etc., you may feel like you've wasted your money on a performance part that didn't improve performance. Usually, when an exhaust system

Lastly, if your car has a manual transmission avoid downshifting to slow the car and rev-match anytime you can to reduce pressure on your head gasket. If you are rebuilding an engine, you can reduce the risk of a blown head gasket in the future by using properly lubricated head studs torqued in the proper sequence to the correct torque setting.
