ALTERED CARBON is set in a future where consciousness is digitized and stored in cortical stacks implanted in the spine, allowing humans to survive physical death by having their memories and consciousness "re-sleeved" into new bodies. The story follows specially trained "Envoy" soldier Takeshi Kovacs, who is downloaded from an off-world prison and into a combat ready sleeve at the behest of Laurens Bancroft, a highly influential aristocrat.

Altered Carbon (TV Series 2018-2020) - IMDb

While the Vatican is trying to make resleeving (at least of Catholics) illegal, centuries-old aristocrat Laurens Bancroft brings Takeshi Kovacs (an Envoy, a specially trained soldier used to being resleeved and trained to soak up clues from new environments) to Earth, where Kovacs is resleeved into a cop's body to investigate Bancroft's first mysterious, stack-damaging death.

Altered Carbon is a 2002 cyberpunk novel by British writer Richard K. Morgan. Set in a future in which interstellar travel is facilitated by transferring consciousnesses between bodies ("sleeves"), it follows the attempt of Takeshi Kovacs, a former U.N. elite soldier turned private investigator, to investigate a rich man's death. It is followed by the sequels Broken Angels and Woken Furies.

Takeshi Kovacs - Wikipedia

Biography Edit Background Edit. Reileen was born on Harlan's World and is of mixed Japanese and Hungarian descent. She has one older brother, Takeshi Kovacs. Although she doesn't share her older brother's last name, her father is shown in flashbacks to be a white male so it's safe to assume that while Takeshi took his father's name, Reileen would have taken her mother's, as their mother was of ...
