An Evil Mind is rather different to the other Robert Hunter books. The first five books in the series are very much about the chase, about us tracking down the killer before they can kill again. **An Evil Mind - Chris Carter (Robert Hunter #6)**

I have some ambivalence about An Evil Mind. Suffice it to say that the title accurately portrays a serial killer's twisted cat-and-mouse game with the LAPD's Robert Hunter. A freak accident outside a diner in Wyoming reveals the shocking cargo in a patron's trunk: potential evidence of a serial killer.
