Every student is different in how much they can study and absorb, but we recommend at least 8-10 hours to study the Arizona Statutes & Rules and 15-20 hours for any trade test preparation. In 2011 the State allowed the test be open book which is designed to demonstrate an understanding and application of the information, therefore word for word (rote) memorization is not the most effective method of preparation.

Arizona Contractors Guide to Business, Law & Project ...

To become a general contractor in Arizona, multiple licensing and education requirements must be fulfilled, and a completed application (with fees included) must be sent to the Arizona Registrar of Contractors (ROC). These requirements are not optional, and those who engage in contractor work without fulfilling them will be prosecuted to the full extent of Arizona law.
