Buick division of General Motors. As its premier luxury division, Cadillac, didn't offer a station wagon, the Estate was GM's most expensive and most fully equipped entry in the market. The nameplate "estate" was a reference to the term country estate in wealthy suburban areas, and the British term "estate car ...

Navigation Manual

Wikipedia

Starting with 1936, the Buick Special Series 40 model range represented the marque's entry level full-size automobile. The '36 was a very successful year for Buick and also marked the first time of using names rather than the simple serial numbers which had been in use before. The first Specials rode on a 118 in (3.0 m) wheelbase,

Remember, your GM navigation system is designed for driving. Unlike portable devices with small screens and even smaller buttons, your in-vehicle navigation system can help you remain focused on the road ahead. Updating your map maximizes your driver-centric navigation experience, helping you get the most from your
