Damages for Breach of Contract - NYU Law

Contract Law and Theory, the leading theoretical casebook on contracts, is based on clear, discernible themes and patterns that underlie much of contract law, and as it develops them explicitly, the student is invited to develop a working model of contract law.

CAP - Contract Law and Theory, Fifth Edition ...

A theory of "efficient performance" thus perfectly mirrors, and perfectly replicates, orthodox contract law's theory of efficient breach. This has led lawyer-economists to suggest that economic analysis ends at an impasse—neither orthodox contract nor fiduciary revisionism is more efficient than the other.

Theories of the Common Law of Contracts (Stanford ...

Using a theoretical model for teaching contracts without sacrificing either sensible case selection or doctrinal detail, the authors' commitment to the practical use of theory also commits them to a functional analysis of contract law.

Contract law and theory : selected provisions: restatement ...

'Will Theory' was supposedly the objective on which the English Contract Law was based on. Parties associated with the contract made agreements as per their own terms and will. Therefore, the contract law's purpose was to setup the legalized framework for making these types of agreements certain, as well as, possible.
