CC2 Resources — CPM Educational Program

Product Description. This toolkit covers proportions, scale factor, variable expressions, and arithmetic properties. This is a note-taker that has been specifically designed to be used with College Preparatory Mathematics (CPM) Core Connections Course 2 (CC2) Chapter 4. This resource can be used by teachers to help their students clarify topics as they come up in class OR by parents who need something a little more "direct" to help their child understand the material.
