### (PDF) Globalization, Culture and Identity

Culture is a complicated word to define, as there are at least six common ways that culture is used in the United States. For the purposes of exploring the communicative aspects of culture, we will define culture as the ongoing negotiation of learned and patterned beliefs, attitudes, values, and behaviors. Unpacking the definition, we can see that culture shouldn't be conceptualized as ...

Culture vs Identity Culture and identity, as both being social constructs, understanding the difference between culture and identity can be a problem for some. When speaking of society, we often use the term culture. This refers to the lifestyles that people embrace in becoming a part of a society. In this sense, culture is a social construct.

### Difference Between Culture and Identity | Compare the ...

Cultural Identity. This is what I study. In France, generally speaking, immigrants are expected to integrate into society by behaving secularly and, if they aspire to obtain a French nationality, by behaving French. I'm trying to understand how this environment affects cultural identity because it's something I personally care about.

### cultural identity and immigrant integration

What is cultural identity? Cultural identity is basically just the way in which you structure your personality around a set of shared traditions, norms, values, symbols, etc. It's deeply personal & integral to help you understand yourself better. It's all about you yet it's funny to say, "you get it from the community."
