The Panasonic Lumix DC-GH5 is the fifth in the company's industry-changing video and stills 'hybrid' lineup. With its 20MP Four Thirds sensor and deep video-centric feature set, it looks likely to pick up where the GH4 left off as a favorite of indie filmmakers and photographers whose interests venture into the realm of motion picture work.

Negatives, slides, and overhead transparencies should not be submitted; prints of such may be submitted. Photographs produced on a laser printer or otherwise digitally reproduced (i.e., photographs cut from a printed publication) should be avoided because they scan poorly. Do not submit color prints to be printed in black and white.
