### Diffusion of Innovations by Everett M. Rogers

Most innovations, in fact, diffuse at a disappointingly slow rate. Scurvy control illustrates how slowly an obviously beneficial innovation spreads (Mosteller, 1981). In the early days of long sea voyages, scurvy was a worse killer of sailors than warfare, accidents, and all other causes of death.

### **Diffusion of Innovations (3rd edition)**

Diffusion of Innovations, by Everett Rogers (1995) Reviewed by Greg Orr. March 18, 2003. Much has been made of the profound effect of the "tipping point", the point at which a trend catches fire - spreading exponentially through the population. The idea suggests that, for good or bad, change can be promoted rather easily in a social system through a domino effect.
