The conference invites participants to consider their contributions within current work in ecocriticism, ecopoetics, and environmental humanities. The contributions may seek to shed light on the ways in which Nabokov gave meaning to the world by putting it into words, thus revealing unsuspected realities and sensitive

Analysis of Dante's Inferno By

NASRULLAH MAMBROL on April 11, 2021

• (0). Dante's Hell is a diorama of sin, enacted as both moral exhortation and poetic prophecy. Change is no longer possible here, and damnation is the irrevocable, total removal from God—a separation that is more terrible for being freely willed by Hell's inhabitants.
