The best gifts for women—as with the best gifts for most people—are the perfect combination of unique and thoughtful. You want to get the women in your life items that feel personal, but they can't be original to the point of uselessness (save those for Christmas white elephant parties, of course). A kitschy present is great only if the person will truly appreciate the kitschiness.

Bottom line: There is no magic number to define low sex drive. It varies among women. Symptoms of low sex drive in women include: Having no interest in any type of sexual activity, including masturbation; Never or only seldom having sexual fantasies or thoughts; Being concerned by your lack of sexual activity or fantasies; When to see a doctor

Low sex drive in women - Symptoms and causes - Mayo Clinic

Although young children are very aware of their sexual organs, as children grow up, they go through what psychiatrist Sigmund Freud termed the latency stage, when they pretty much put sex out of their minds. The latency stage is the period of time when boys think that all girls are yucky, and girls think that all boys are even worse.
