G10 Engine Options - posted in Bolens Tractor Forum: Hi guys, Im toying with the idea of getting an extra engine for my G10. The current Briggs, which is original to the tractor, runs well, but Id still like to do a full rebuild and get it running even better. My plan is to get another engine, rebuild it, then put the rebuilt engine in the tractor while I rebuild the original. This way, I can ...

Engines & Components for LDV G10 for sale | Shop with ...

Sadly, the 225hp 2.0-liter turbocharged gasoline engine available elsewhere isn't coming in yet. Considering how comparable V6 MPVs have struggled to sell here, that seems a prudent choice. That said, the 148hp Peugeot-sourced 1,850cc diesel gets the G10 to 100kph in about 13.7sec, comparable to the more powerful Hyundai Grand Starex.

Ginetta G10 P261A if your catalytic convertor fails completely, you eventually won't be able to keep the car running. Your gas mileage will also be terrible, so you should try and fix it as soon as you can. Unfortunately, the average replacement cost is around \$2,000 and you can't do it yourself unless you're an experienced mechanic.
