Home — Global Policing Limited

As the only police organization that works at the global level, INTERPOL plays a unique role in supporting international policing efforts. To do this in a consistent manner across the world, it is important that all actors in the global security architecture share an understanding of the threats and work towards the same outcomes.

Global Policing Goals - Interpol

In the transitional networked society, police power is no longer constrained by the borders of the nation state. It has globalised. Global Policing shows how security threats have been constructed by powerful actors to justify the creation of a new global policing architecture and how the subculture of policing shapes the world system.

GLOBAL POLICING DATABASE · About · Global Policing Database

“The global policing goals developed alongside the UN agenda 2030, will allow a uniform and comprehensive way of addressing the development of security sector reforms globally, providing a roadmap for the future sustainable development of law enforcement on the national and international levels,” said Odd Reidar Humlegard, National Police Commissioner of Norway.

INTERPOL launches Global Policing Goals

Candidates for police recruitment and promotion are appointed on merit, whereas a 'global policeman' is self-appointed faute de mieux. Within states, a monopoly on violence is the norm; the police may carry weapons, but few others do so (the US is an exception, prompting Charles Lane to ask if it is 'really a state' [7]) Internationally, a 'global policeman' is but one heavily armed state ...
