07, 2019 Erik Ryberg rated it liked it. Important to read to know

what happened there during the Cold War. At the same time,

since it's a report it could be rather choppy and the reader can

feel a bit unsure of where some events are in Guatemala with no

map and then unsure of who

Guatemala: Never Again by Thomas Quigley

Guatemala: Never Again! is the abridged English translation of the original four-volume report. It alternates graphic eyewitness testimony with conclusions about the origins, nature, and impact of the devastating violence waged against Guatemalans by their government from the 1970's to the 1990s's.

Guatemala: Never Again by Thomas Quigley | 9781570752940 ...

Aside from the testimony and statistics, GUATEMALA, NEVER AGAIN contains 100 pages of "background" that attempt to explain the Guatemalan military and political structure during the conflict. That text is desert dry, convoluted and at times contradictory.

Juan José Gerardi Conedera (27 December 1922 – 26 April 1998) was a Guatemalan Roman Catholic bishop and human rights defender who was long active in working with the indigenous Mayan peoples of the country. In the 1970s he gained government recognition of indigenous languages as official languages, and helped secure permission for radio stations to broadcast in indigenous languages.
