## How The White Trash Zombie

White is the lightest color and is achromatic (having no hue). It is the color of objects such as snow, chalk, and milk, and is the opposite of black. White objects fully reflect and scatter all the visible wavelengths of light. White on television and computer screens is created by a mixture of red, blue, and green light.

## White - Wikipedia

Zombie porn - yes the dead get stiff and erect, then the shagging starts. So this list contains porn with zombies in them, as well as a couple of zombie films where the location is an adult movie set (yes there is more than one). I had to split this list off from my main zombie list, because the porn filter reduces a lists visibility.
