Identity Theory

Identity Theory. Identity theory is a family of views on the relationship between mind and body. Type Identity theories hold that at least some types (or kinds, or classes) of mental states are, as a matter of contingent fact, literally identical with some types (or kinds, or classes) of brain states.

Identity Theory | Internet Encyclopedia of Philosophy

Social identity is the portion of an individual's self-concept derived from perceived membership in a relevant social group.. As originally formulated by social psychologists Henri Tajfel and John Turner in the 1970s and the 1980s, social identity theory introduced the concept of a social identity as a way in which to explain intergroup behaviour. Social identity theory is described as a ...

adolescence. Although the specific quality of a person's identity differs from culture to culture, the accomplishment of this de-velopmental task has common elements in ail cultures.

ERIK ERIKSON'S THEORY OF IDENTITY DEVELOPMENT

social identity theory, in social psychology, the study of the interplay between personal and social identities. Social identity theory aims to specify and predict the circumstances under which individuals think of themselves as individuals or as group members. The theory also considers the consequences of personal and social identities for individual perceptions and group behaviour.

and internalize the category's social identity-defining attributes to define and evaluate themselves—attributes that capture and accentuate intragroup similarities and intergroup differences (Tajfel & Turner, 1986;

Social Identity Theory - an overview | ScienceDirect Topics

Social identity is the part of the self that is defined by one's group memberships. Social identity theory, which was formulated by social psychologist Henri Tajfel and John Turner in the 1970s, describes the conditions under which social identity becomes more important than one's identity as an individual. The theory also specifies the ways in which social identity can influence intergroup ...
