In The Land Of Invented

Cloud cuckoo land is a state of absurdly, over-optimistic fantasy or an unrealistically idealistic state of mind where everything appears to be perfect. Someone who is said to "live in cloud cuckoo land" is a person who thinks that things that are completely impossible might happen, rather than understanding how things really are.It also hints that the person referred to is naive, unaware of ...

I Actually Invented a Country.. and called it Rick Roll Land

Sneakers go back a long way. In the late 18th century, people wore rubber soled shoes called plimsolls, but they were pretty crude?for one thing, there was no right foot or left foot.

The History of Sneakers - Fact Monster

Biography. He was the third son of the gyrocompass co-inventor, Elmer Ambrose Sperry, and his wife Zula. Sperry invented the first autopilot, which he demonstrated with startling success in France in 1914. Sperry is also credited with developing the artificial horizon still used on most aircraft in the early 21st century.. In 1918 he married film actress Winifred Allen, and Flying Magazine ...

Oregon Invented Hacky Sack. Should It Be Our State Sport?

The name Palestine...is correctly used only when applied to the land of the ancient Philistines along the coast of the Mediterranean.The official name of the area, whether in Jewish or non-Jewish sources, including official data, such as inscriptions and coins, is Judaea. Were it not for Hadrian's deliberate attempt to eliminate all trace of Jewish sovereignty, the name would have remained ...

Origins of the Name “Palestine” and Palestinian Nationalism

The Land Between Two Rivers. Ancient Mesopotamia had so many firsts - they invented the first wheel, the first super hero, the first written language, the first library, and besides all that, they were also the first farmers! Thousands of year ago, there were three major civilizations in ancient Mesopotamia - ancient Sumer, ancient Babylon, and ...
