LibGen is a unique concept in the category of eBooks, as this Russia based website is actually a search engine that helps you download books and articles related to science. It allows you to download paywalled content for free including PDF downloads for the stuff on Elsevier's Science Direct website. Even though the site continues to face legal issues due to the pirated access provided to books and articles, the site is still functional through various domains.

### **Incredible Comic Book Women With**

Tom's book Incredible Comic Book Women is a gem of knowledge in the "how to draw" genre of books. The female figure is perhaps one of the most challenging to draw and render properly but Tom shows you how to draw women with finesse, skill and confidence once you practice his instruction and technique. Tom provides great examples of do's and don'ts.
