In cookbook production, InDesign's long-document features are the not-so-secret ingredient for success. Humans have always had an infatuation with cookbooks. Almost as far back as the invention of the printed word, you'll find cookbooks in all their sticky, stained, and dog-eared glory. My parents and grandparents have stacks of cookbooks containing pages with folded corners marking their favorite recipes for easy access the next time they want to make that particular dish.
