To be a great leader, you need to start by leading yourself

Article Highlights Learning to lead yourself well is one of the most important things you'll ever do as a leader. The point of leading is not to cross the finish line first; it's to take people across the finish line with you. Leading yourself well means that you hold yourself to a higher standard of accountability than others do.

John Maxwell on How to Lead Yourself - SermonCentral.com

The principle of leadership is this: Before you decide to lead others, learn to lead yourself well. The whole idea of leadership is that you're up front, where everyone can see what you're doing, where you're going and then follow your lead. Your life becomes an example for others to follow.
