I'm looking a buying a used boat, and I have a dozen years experience with marine diesels evenly split between Yanmar and Perkins. Through others I know I know a few things about other makes and models, but I know precious little about the Ford Lehman diesel. Every diesel has their good and bad points and quirks.

The availability of Ford service is an absolute disgrace. Of course, when shopping all you hear is "and you can have it serviced at any Ford dealer". Wrong. In fact, the Ford website will allow you to book service at a commercial truck service center only to show up to find out "we don't do motorhomes" not even for an oil change.
