You can search Google Books for any book or topic. In this case, let's go with "Alice in Wonderland" since it's a well-known book, and there's probably a free eBook or two for this title. The original work is in the public domain, so most of the variations are just with formatting and the number of illustrations included in the work. However, you might also run into several copies for sale, as reformatting the print copy into an eBook still took some work. Some of your search results may also be related works with the same title.

Manual Shifting Games

One of the best car competitions are drag races. There is no Need for Speed without this kind of race and there is a reason for that: This is the single time in a car game in which you can use a manual gearbox and shift speeds like a professional racing driver. The key in any drag race is to shift the gears exactly in the right time.
