I have recommended Henry Emmons' The Chemistry of Joy to many people. In The Chemistry of Joy Workbook, he gives practical, actionable advice on boosting emotional resilience that is completely aligned with my own philosophy of integrative mental health. If you want to experience more positive moods, you will find this book most helpful.

Natural Mental Health- Resources for A Resilient Life

To make life in little Little Alchemy, start by dragging some air onto the playing board. Then, place some fire on top of the air to create energy. Once you've created energy, combine some earth and water on the board to create mud. Next, combine air and water to create rain, and combine earth and rain to create plant.
