Mental Arithmetic Tests Book 4

Two Entry Tests are available in the Mental Arithmetic Teacher's Guide and on the Schofield & Sims website, enabling teachers, parents and tutors to select the appropriate book for each child. All the books can be used flexibly for individual, paired, group or whole-class maths practice, as well as for homework and one-to-one intervention.

Mental Arithmetic 2 Answers - Schofield & Sims

The book becomes a slog half way through, especially if, like me, you tend to take copious notes and try to really tackle the book like a course in mental mathematics, which it really isn't but on the surface presents itself as the sort of practical tome that will guide you through a better understanding of number theory and computation.

Secrets of Mental Math: The Mathemagician's Guide to ...

Daily 10 is a primary maths resource for teachers of Years 1 to 6. It asks ten random questions on addition, subtraction, multiplication, division, fractions, ordering, partitioning, digit values and more. Ideal for use on a IWB and as a starter or plenary activity.
