Since the date changes at the stroke of midnight, there is always ambiguity about which date you refer to. Midnight on the 10th technically means at the start of the 10th, but when most people speak they mean it to be at the end of the 10th. In 24-hour time notation, "00:00" and "00:00:00" refer to midnight at the start of a given date.
