Chance to fulfil your childhood space dream thanks to ...

The Nazi Rocketeers: Dreams of Space and Crimes of War by Dennis Piszkiwicz. 6 January 1999. Categories: From the armchair. I am not an apologist for Wernher von Braun. While he was an excellent manager and a smart engineer, he was also an opportunist and a shameless self-promoter. However, I feel it is simplistic to condemn him as a war ...

The Nazi Rocketeers: Dreams of Space and Crimes of War by ...

After World War II rocket scientist Wernher von Braun left his native Germany for the United States, where he became famous as the father of the American space program. Before and during the war, however, von Braun and his fellow German rocketeers had abandoned their dreams of space travel and put their genius to work for the Nazi war machine.

China's fastest rocket carries deep space dream

The rocket, codenamed Long March-5 Y4, has a total length of almost 57 meters, equivalent to the height of a 20-story building. It has a 5-meter-diameter core stage and four 3.35-meter-diameter ...

China's fastest rocket carries deep space dream | News Ghana

The rocket uses environment-friendly propellants, including liquid oxygen, liquid hydrogen and kerosene. It has a takeoff mass of 869 tonnes and can carry a payload of 14 tonnes to a geostationary transfer orbit. As the relative positions of Earth and Mars are constantly changing, a space mission from Earth is like shooting at a moving target.
