Health Problems in the 19th Century In 1832, James P. Kay-Shuttleworth , a doctor in Manchester , carried out an investigation into the health of working-class people in the city. "In Parliament Street there is only one privy for three hundred and eighty inhabitants, which is placed in a narrow passage, whence its effluvia infest the adjacent ...

Life in Britain in the 19th Century - Spartacus Educational

Over the course of the nineteenth century, these wage patterns changed very slowly, as did London's pattern of employments. Although the centre of global trade and Britain's largest manufacturing city, London was relatively little changed, beyond the revolution in transportation brought by the railways, by the mechanisation associated with industrial production.
