Thinking outside the box (also thinking out of the box or thinking beyond the box and, especially in Australia, thinking outside the square) is a metaphor that means to think differently, unconventionally, or from a new perspective.This phrase often refers to novel or creative thinking. The term is thought to derive from management consultants in the 1970s and 1980s challenging their clients ...

Thinking outside the box - Wikipedia

Non-Media Assets. Sony also owns non-media assets, including a bank, financial holdings, and a creative suite. These non-media assets don’t publish information, but they certainly play a major role in Sony’s financial success. Investments. Last, Sony has a portfolio of investments, much like other media companies on this list.

The 6 Companies That Own (Almost) All Media [INFOGRAPHIC]
