Overrated, Not Unimportant. Of course, facts are important. They are the puzzle pieces we use to understand objective reality. They have become the building blocks of modern society, as we have moved away from dogmatic religions and superstitions and created metrics that we can use to accurately measure everything around us.

fashionable to talk about the poor but not as fashionable to talk to the poor.

Overrated: Are We More in Love with the Idea of Changing ...

Geoff Colvin in the book Talent is Overrated traces more such cases, pointing out that the quality of the practice is also important. "A study of figure skaters found that sub-elite skaters spent lots of time working on the jumps they could already do, while skaters at the highest levels spent more time on the jumps they couldn't do," he writes.

Are Robots Overrated? - Harvard Business Review

More often than not, we're fixed in the brokenness of our world because we are constantly surrounded by such things. But if we're not careful, we lose sight of God. We lose sight of God's purposes and intent for creation.

Overrated Quotes by Eugene Cho - Goodreads

Overrated by Eugene Cho asks if we are more in love with changing the world than we are in actually changing it. Many people want to change the world, but Eugene Cho found out that it takes more than a simple desire to change it. You need a plan of action, and you need to put thought into that plan.
