His career and possibly his life were in jeopardy. The opening questions centered on the artist's placing of a dog at the Last Supper instead of the usual depiction of Mary Magdalene. Paolo's defense throughout his ordeal was that he was an artist and therefore included images at the periphery of his scene based on their visual and artistic contribution to his work and not on religious orthodoxy.

**Brought Before the Inquisition, 1573**

Paolo Callari Veronese is considered one of the preeminent representatives of the Venetian School of Painting at the height of the Italian Renaissance. Under the tutelage of Antonio Badile, he studied the works of Giulio Romano, Raphael, Parmigianino, and Michelangelo.

The theme of the Baptism of Christ is one which Veronese tackled numerous times during his career, and this work is considered the last such example. The early provenance of this work is unknown, but it has been suggested that the relatively modest size of the painting may indicate that it was made for a private chapel, or perhaps for private devotion in a secular setting.

**The Baptism of Christ (Getty Museum)**

Paolo Veronese was an Italian painter who lived in the 16th century during the Italian Renaissance and painted many of the ceilings and frescoes of public centers in Venice. He's known for developing the naturalist style of painting and used color in ways few artists were able to achieve at the time.
