POLI 2105 L4 Reading - Summary Patterns of Democracy ...

Chapters 1-4 call our attention to two competing types of democracy. The first, majoritarian or Westminster democracy, is what most people immediately think of when they think of democracy: A legislature elected by a simple majority of the voters governs, and voters throw the ruling party out if it governs poorly.

Summary of Lijphart: Patterns of democracy -- Adam Brown ...

Of the first five variables, being a country that by an large has the first option (for instance, a two party system) means that the country is majoritarian. The second would be a consensus democracy (in this example it would be a multiparty system). Of the last five, the first option of each variable means centralization.

Patterns of Democracy: Government Forms and Performance in ...

In Patterns of Democracy (1999, 2nd ed., 2012), Lijphart classifies thirty-six democracies using these attributes. He finds consensus democracies to be "kinder, gentler" states, having lower incarceration rates, less use of the death penalty, better care for the environment, more foreign aid work, and more welfare spending - qualities he feels "should appeal to all democrats". [2]

Arend Lijphart - Wikipedia

"Patterns of Democracy is comparative politics at its best: theoretically focused, institutionally detailed, and compelling in its arguments about the links between party systems and electoral system and other elements of constitutional choice."—Bernard Grofman, University of California, Irvine

Patterns of Democracy | Yale University Press

Chapter 1 Introduction. (pp. 1-8) There are many ways in which, in principle, a democracy can be organized and run; in practice, too, modern democracies exhibit a variety of formal governmental institutions, like legislatures and courts, as well as political party and interest group systems.

Patterns of Democracy on JSTOR

The book Patterns of Democracy: Government Forms and Performances in Thirty-Six Countries compared consensus democracy vis-a-vis majoritarian democracy as society's anchor towards societal and economic development. Through its discourse, it made apparent that consensus democracy exhibits a more mature type of democracy as it better responds to many of the modern-day community's societal and political issues such as women's rights, environmental consciousness and voter's turnout.
