## **repair manual? - THE PORTAL HUB ...**

I have a full set of paper manuals I purchased when I bought my 710K (Repair Manual, Parts Catalog, Operating Instructions). Does anyone know if there is a source for these in pdf form? English language would be the most helpful. Having an electronic set would actually be more useful than the paper books.

military utility vehicles. They were most recently manufactured at Guildford in Surrey, England by BAE Systems Land & Armaments. The vehicle was originally developed in the late 1960s and manufactured by Steyr-Daimler-Puch of Graz, Austria, and was named after the Pinzgauer, an Austrian breed of horse.
