Once you find something you're interested in, click on the book title and you'll be taken to that book's specific page. You can choose to read chapters within your browser (easiest) or print pages out for later.

### Practical Pathology And Morbid Histology

Our author finds the need of a new book on the subject of which he treats, in the fact that photographic illustrations of actual appearances are needed to fill an existing gap in the domain of morbid histology; and the fact must be admitted that our monographs and text-books are filled with illustrations which are rather diagrammatic, than representative of an actual specimen.

Pathology - Research and Practice provides accessible coverage of the most recent developments across the entire field of pathology. The Journal publishes traditional morphological studies based on histopathology, including immunohistochemistry with clinical pathological correlations, if sound biostatistical data are provided.

## **Pathology - Research and Practice - Journal - Elsevier**

In 1895 he moved to Detroit in 1898 to become the city's Health Officer and Professor of Internal Medicine and Pathology at the Michigan College of Medicine and Surgery. He wrote two books, Practical Histology (1880) and Practical pathology and morbid anatomy (1891). He died in McAlester, Oklahoma on July 18, 1912.
