They are applicable across different educational contexts, such as classrooms with children or adults, dual language learners, emerging bilinguals, and multilingual students. The 6 Principles will help educators: respect, affirm, and promote students' home languages and cultural knowledge and experiences as resources.

About the 6 Principles

XXFour basic realities of language learning are that language is a tool for communication, learning a language involves mastery of both knowledge and skill, the struggle to learn a language is a battle of the heart as well as the mind, and learners vary considerably in their preferred approaches to language learning. XXThe language teacher is not simply a transmitter of knowledge; like a coach, the language
