The Falklands campaign demonstrated the difference in the mission requirements between the RAF GR-3 and the Sea Harrier. While the GR-3s performed in a ground-attack role in support of the landing force, the FR5-1s defended the fleet against Argentine air attack. In this, they were greatly outmatched in both speed and firepower.

This book fills that void very well, providing a wealth of detail in describing the lead up, deployment and day-to-day combat operations of the small contingent of Royal Air Force attack Harriers....is a well written, interesting and highly informative personal memoir (anyone who would describe the Folland Gnat as "an aircraft built for hooliganism" certainly has a flair for aerial description) and provides a much needed addition to the body of work covering the air war over the Falklands

RAF Harrier Ground Attack: Falklands eBook: Pook, Jerry ...

Harrier Operations during the falklands war was a combination of sea harrier ops taking care mainly of the air to air roles, which incidentally seemed to be the most widely covered. I knew very little about the involvement of the Harrier GR3's during the conflict, perhaps due to the Royal Navy as is alluded to in the book.
