Bentley - Product Documentation

SACS 12.0 uses Bentley SELECT Trust Licensing – the same licensing used by all other Bentley products. Trust licensing ensures uninterrupted access to run your Bentley software, regardless of the availability of licenses. In some software products from other vendors, a licensing service was used to check out

File Type PDF Sacs Bentley User Manual

a license when the application starts up and check it back in when the program exits.

Trust Licensing - Bentley

SACS, Structural Analysis Computer System, is an integrated structural analysis software package used by the commercial industry world wide.

File Type PDF Sacs Bentley User Manual

Developed by Engineering Dynamics, Inc., this is the most comprehensive design and analysis package offered to both the offshore and the general structure design industries.
