SketchUp Documentation Welcome to our SketchUp documentation section. SketchUp is a powerful 3D program that can turn your site design into a vivid 3D rendering.

SketchUp Documentation - Land F/X

There's certainly some wizardry going on when Nick uses SketchUp, but his work always reflects the thoughts of a construction-minded maestro. We visited a couple contractors in the field, and after flipping past a few pages of 2D drawings, they always ended up poring over Nick's 3D perspectives and details.
