THE 7 LAWS OF MAGICAL THINKING | Kirkus Reviews

The laws of magic. The saying that magic is not what it seems may be more prevalent today than in the past. Today when one hears the word magic one often thinks of the tall, slender, dark haired gentleman on stage or the television screen in his black tuxedo who pulls the white rabbit out of his top hat, and juggles balls and glasses or both, and saves a thinly clad, pretty girl in a box in half.

The Seven Laws of Magic are strict rules set up by the White Council to govern the use of magic. All members of the White Council are expected to abide by these laws, and the White Council also seeks to enforce them among other human practitioners of magic. The penalty for any violation of these laws can be extreme, even including death, which has led other groups to be very critical of them.
