From the Future and Viral Mythology to discuss the possibility of human time travel and the possible link to the ancient alien theory.

## **Are Ancient Aliens Really Futuristic Human Time Travelers ...**

Time Travelers are characters who can freely travel between certain points in time, analogous to movement between different points in space, typically using a hypothetical device known as a time machine in the form of a vehicle or a portal connecting distant points in time, But it can also happen that a character is inherently born with such power. Distinct from time travel because, although ...
