Some clairvoyants try to make a living out of their "gift" by telling other people what they know via private readings, public appearances, books or websites. This is fine if the readings are accurate and helpful, but a lot of bad karma is generated if they mislead other people or spread misinformation (even if it is unknowingly).

Amy Hale (Author of The Clairvoyant's Handbook)

Clairvoyance is a way to tap into the knowledge of our souls, and the collective knowledge of all souls of the universe, through visions and images. You, too, can receive clairvoyant images as lights, as flashes, as personal memories coming forward to illuminate a situation in need of solving in present time."
