"employee" versus an "entrepreneur mindset", but is also broken, too expensive, and ill-suited for the chaotic, flat, disruptive, and digital world in which we live. Mr. Ellsberg began his freelance writing career doing direct-sales copywriting, where he surely learned how to wrestle his prose into a form that it is both efficient and moving.

However, most education that ends up earning you money is actually self-education in practical intelligence and skills. This book is a guide for developing these practical success skills in the real world. Therefore, Ellsberg interviewed a bunch of successful people a.k.a. millionaires, often without a college degree.
