### The Field Quest For Secret

The tag line "The Quest for The Secret Force of the Universe" says it all. Read it with a sense of journey and wonderful possibilities. Lynne covers such topics as The Zero Point Field, Coherence, Psychokinesis, and the connections between Consciousness and Healing, and Intention.

### The Field: The Quest for the Secret Force of the Universe ...

The Field: The Quest for the Secret Force of the Universe seemed promising and interesting to me at first glance because of author Lynne McTaggart's angle. She tries to show that certain questionable topics, such as linking quantum physics to the somewhat New Age-ish idea that every single thing in the universe is connected, can actually be shown to be true via proper scientific research (double-blind, other researchers replicating the methods and getting the same results, etc.).
