### **The Grief Guru**

Parenting While Grieving: A Survival Guide. \$2.25. Description. As a parent, you don't have the luxury of worrying only about yourself and your emotional well-being. It is your job, in good times and bad, to attend to the needs of your child as well as your own. Putting your child's needs first is a no-brainer, so when something bad happens, it feels natural to put your own on the back burner.

### **Parenting While Grieving: A Survival Guide - Whats your Grief**

The Grief Survival Guide is a reassuring and practical navigational tool to have to hand, wherever you are in your journey through bereavement. Healing from grief isn't about 'getting over' someone we miss, but adjusting to live the life they would wish for us, with them still in our hearts.
