almost anywhere in your home or apartment; do-it-yourself plans for the most essential darkroom components, cut-outs and design grids.

### **[PDF] the new darkroom handbook Download Free**

Many useful plans are offered in the New Darkroom Handbook - it literally goes through EVERYTHING you need to think of when building a darkroom, from how to hang drywall and rework plumbing, to what vent baffle you will need to block out the light. I was very impressed with the detail, although some people may find it a little too much.
