The Pragmatics Of Humour Across

The contributors assume multifarious theoretical perspectives and discuss a wide array of issues germane to different types of humour across discourse domains. Consequently, the whole gamut of humorous forms and mechanisms are elucidated, such as surrealist irony, incongruity in register humour, mechanisms of pun formation, as well as interpersonal functions of conversational humour.

Journal of Pragmatics | Vol 166, In progress (September ...

Conversational Humour and (Im)politeness is the first systematic study that offers a socio-pragmatic perspective on humorous practices such as teasing, mockery and taking the piss and their relation to (im)politeness. Analysing data from corpora, reality television and interviews in Australian and British cultural contexts, this book contributes to cross-cultural and intercultural research on humour and its role in social interaction.
