### Sharing Lives And Stepping Fires

The roommates in these stories are certainly the people you'd never want to share a room, apartment, house, or heck, even a 4,000 square-foot mansion with. Included in this list is an underwear-stealing creep, people who desperately want one of their roommates kicked out for no apparent reason, and roommates who aren't quite "all there."

# Online Library The Roommate Book Sharing Lives And Sleeping Tives

The rent-sharing understanding you have with your cotenants is immaterial to the landlord. In other words, even if you pay \$400 for your tiny room and your roommate pays \$800 for a master suite, you'll be liable for the full \$1,200 rent if for some reason your roommate flakes out or leaves before the tenancy ends. All for One
