In some cases, you may also find free books that are not public domain. Not all free books are copyright free. There are other reasons publishers may choose to make a book free, such as for a promotion or because the author/publisher just wants to get the information in front of an audience. Here's how to find free books (both public domain and otherwise) through Google Books.

## **The Secret History Of The**

The Secret History is the first novel by the American author, Donna Tartt, published by Alfred A. Knopf in September, 1992. Set in New England, the novel tells the story of a closely knit group of six classics students at Hampden College, a small, elite Liberal Arts college located in Vermont based upon Bennington College, where Tartt was a student between 1982 and 1986.

The severity of the schoolteacher's condition would have come as a surprise to the researchers in the early 1960s who discovered 229E. That's because they were looking for the viruses ...

## **The Secret History Of The First Coronavirus**

The 'secret' element of the book is interesting as a lot of the mystery schools are veiled in secrecy. Strangely, the act of transforming oneself is very personal and introspective - something the esoteric schools encourage above all else, to 'know thyself' - a very discouraged ambition at many points in history.
